### **Sam Fowler Memorial Shoot 2018**

**Sunday 7<sup>th</sup> October 2018**

#### **Welcome to the 2nd Whiteleaf Bowmen Sam Fowler Memorial Open Shoot .**

Last year, for the first time, we hosted the Sam Fowler Memorial Shoot. Those of you who were brave enough to attend will know what a great day it was. We don't have space here to describe the activities, but if you go onto our web site; click on 'Club' and scroll down, you will find the report on the 2017 shoot. For those of you who have not yet tried the wonders of the Pope and Young round, imagine, if you can, a combination of target, field and speed shooting, and you'll get pretty close to what the shoot is all about.

The general idea is, every shot is at a different distance. There are five targets. They are laid out in an arc where the closest is about 30 yards, and furthest about 70 yards.

Each 'detail' consists of five archers who are similarly positioned in an arc. After each 'round' of five arrows, the archers alter their shooting points.

One arrow is shot at each target in turn from each archer. Each five arrow 'round' is timed; starting at 40 seconds and working down to 35, then 30 seconds.

Full details of the shoot will be included with the target list and explained again on the day. Venue: Club Field, between Lacey Green and Walters Ash, Nr. Princes Risborough.

#### **Assembly is at 10.15am. Shooting starts 10.30. No Sighters.**

There will be hot soup and rolls available before the shoot for late breakfasts, and then again at lunchtime. Hot drinks will be available over the day except during shooting. There will be a raffle after the shoot and before the awards. We estimate the shoot will take about 4 hours including two breaks.

GNAS members welcome; remember to bring your card.

All profits from this shoot will be donated to Sam's charity (Iain Rennie Hospice at Home), so we know you will be happy with the fee of **£10.00** per archer.

Recurve, Barebow and Longbows only please. Sorry, no compounds. The field is not large and we deemed it unsuitable to include compounds. The nature of the round means we are limited to 30 archers, so we will work on a first-come first-served basis, and a waiting list thereafter.

The entry form is below. Please complete and return to the Tournament Officer :-

The closing date for entries is September 28<sup>th</sup> 2018.

Awards: There will be an award (The very impressive Trophy) for overall first place. There will be medals for second, third, fourth and fifth. All archers and bow styles will be shooting on equal terms.
